Register your student at Sunset Park today and attend the new student orientation on Wednesday, August 10, 2016 at 2:00pm. Refreshments will be served.

What Sunset Park has to offer:

The S.T.E.M. Academy at Sunset Park Elementary School is based upon the integration of Science, Technology, Engineering, and Math (S.T.E.M.) into the entire curriculum. As students progress in their studies, the S.T.E.M. skills they develop at a young age will help them succeed – both now and in the future!

Extended Foreign Language (EFL) program available in kindergarten through 5th grade. Students receive additional Spanish on a daily basis.

After school tutoring for select students

Integration of technology via our computer labs and Interactive Boards

More of what Sunset Park has to offer:

Open computer lab in the morning for students at designated times during the school year

Gifted self-contained classes in 1st-5th

Title I school which allows for additional instructional resources

A generous and very active PTA that gives back to the school by offering movie nights, seasonal themed activities, school dances and much more

Interventions for select students offered during the instructional day

The S.T.E.M. Academy @ Sunset Park Elementary

- Fosters innovation
- Cultivates critical thinking skills
- Stimulates creativity
- Integrates curricula
- Offers educational services for SPED and ELL students
